"Never Give Up"

You may stumble and fall
but you can get up.
Stand tall, keep your head up
and never give up.
Stay encouraged to be the best
and never settle for less
And when the going gets rough,
remember: It's just a test.
Develop your potential
and follow your dreams
You can achieve anything
as long as you believe.
Depend on no one
Stand on your own two feet
Self-reliance is what you need
if you plan to succeed.
Patience is a virtue
but anything is possible with God
Exceed all expectations
go against all odds.
To doubt is to fail
you need faith to excell
Never change for anyone
always be yourself.
There will be days when it feels
like the pressur is just too much
But keep focused, stay motivated
and Never Give Up!
