A thumbs up  
Time has been precious to me  
Lights of all colors  
Now bounce off the walls  
The walls...  
Of my heart

Some exploded  
Coloring my dark soul  
So bright  
That it now glows  
With knowledge  
Of new love

A new beginning  
A much needed re-start  
With someone else  
That someone...  
You, sweetheart.
