

Do you love yourself more
than anything in the world.

There is nothing wrong with having confidence. But there is
saying each man is for himself. That is so true. I look all in
the ~~paper~~ newspaper, people killing ~~they~~^{their} friends, neighbors, children
and family. Because of their selfishness. Look at the guy who left
his child in the vehicle while he went and did everything he wanted
to do. The little boy died as a result. People bombing, shooting etc
out of selfish ambition. Allah would never tell no one to hurt
innocent people. Jesus would never tell Christians to hurt innocent
people through witchcraft and voodoo. Jesus would never tell
a Christian to abuse their spouse or children. Jesus would never
tell Christian to be rude to others and always look out for
self. Jesus would never tell Christian to sleep with their
brother in the church (wife). Jesus would never tell a Christian sister
to sleep around with men in the church. There are so many people
in love with themselves look on these website like Instagram.
People taking pictures every ~~second~~ second to get others approval.
They willing to be clothless to get approval of their bodies. Some don't
care about their mate, all they care about themselves. Some
easily turn ~~there~~^{your} back on ~~there~~^{you} family, members, friends and
even coworkers - when they need you the most. all you thinking about
is self. I have a friend who recently admit to me. She said I am
trying to learn how to not be selfish. I admire her honesty that
she admit she had a problem with selfishness. She was working
on herself. How many people out there in the world are willing
to work on their selfishness? even God know people can be
selfish because he said something about it in numerous
of scriptures read 1 Corinthians 13: 4 love suffers long and is
kind; love does not envy; love does not parade itself; is not
puffed up. does not behave rudely, does not seek its own.

do not provoke, think no evil; does not rejoice in iniquity
but rejoices in the truth. Holy Bible. Let's begin to work on our
selfish people. Be Blessed
