Hello, my name is Michael & I would like to introduce myself. I've been down for 20 years & I'm seeking a good friendship. I may be in prison for some violent crimes, but that is not me. After so many years in prison, I've become a completely different person. I hope that my being incarcerated won't discourage you from getting to know me.

So let me tell you a little about myself. I enjoy reading educational books, writing & exercising. I like talking to people who are full of wisdom & experience, although every person is worth getting to know.

All around, I'm a very positive & healthy person. I'm currently serving a life-sentence, but I still look forward to getting out one day. A lot of laws have been changing for lifers, & I always have hope.

As far as entertainment goes, I listen to all genres of music & like comedy & action movies. I'm also very in-tune with current events, politics & news around the world. I'm also big on sports, especially football & basketball.

I would also like to tell you I'm not prejudiced or have any preferences in race or age. I'm very open-minded & a down to earth kind of person. I look forward to making a new friendship & hope to hear from you!

Respectfully,

Michael Manjeet Singh
