

"PLEASE HELP ME!"

3 SEPT. 16

I am in California State Prison & need toiletries & cosmetics & food. They don't take very good care of us in prison. I only receive 1 small bar of soap & 1 roll of toilet paper each week. Everything else I must buy. I am in very bad physical condition & have no money to buy what I need to survive. They feed us very small portions of food - so I'm always starving. If you can please help me - I'll deeply appreciate it with all my heart & soul.

You can help me by sending me money to the following websites (leave them my NAME & LOC#): MATTHEW JANKOWICZ, F25827); WWW.SPAY.COM & WWW.CALIFORNIAFEE SERVICE.COM. Also you can help me by sending me books of stamps to my following address: MATTHEW JANKOWICZ, F25827, M.C.E.P., B9-138L, P.O. BOX 409040, IONE, CA. 95640. I also like getting letters to read - it gets pretty lonely in here. Thank you very much for any help you can give me.
