

BLACKMAN! BLACKMAN! ARISE, AWAKE!

Take back your women and take back your neighbor, ^{hood} grab your nuts and stand up like men; why, why are you sitting on your hands like cowards and allowing your women and children to be terrorized and killed by gang banging punks with guns; shooting in your houses, in your cars and your neighborhoods and you do absolutely nothing but cry and complain,

No, I am not gonna qualify my statements with the exceptions to this accusation,

Blackmen, stand up and be blackmen protect your women and children; that is what **real men do "by any means necessary"**; no one respects a coward; ya gonna die anyways, why not die like a man; in the words of Viva Zapata: It is better to die on our feet than to keep living on our knees and in the words of CLAUDE MCKAY if we must die let us not die like hogs in a pen let us die fighting back!

Shame, shame on you blackmen; look at your women multiple children by multiple men and many of the children don't even know who their father is and many of the mothers don't know either.

When will the blackman evolve into a real man and realize that the problem of the blackman is the problem of the blackman; not the racist dirty as white man; and how could it be otherwise; if the situation were reversed do you think the white man would be sitting on his coward ass waiting for the blackman to come save him.

Get up get your god damn ass out of the fake ass churches looking for pussy and take back your neighborhood and become participants and no longer just recipients; we don't have no fake ass god problems we have cowardly blackman problems; we don't want to be men; yet we will kill and beat each other to death in a heartbeat and **"NINJA"** is the only word that we know in the dictionary.

Imagine in one of your fake ass churches the six-months jacklegged preacher would scream "I want you ninja over there to be quiet;" or if you are standing before a KKK-Judge and you questioned: "Whata up my Ninja??"

Moving pass all the rationalization that the word NINJA has progressed and evolved and it don't mean what it originally meant; **WHAT CORPORATE OFFICER OR GOVERNMENT WOULD HIRE A BUNCH OF LOW-CLASSED, IGNORANT NINJAS?**

We live in ameri-KKK, we are black ameri-Kans, get over it; that ship done long sail, this is a democracy and its laws of opportunities and access can be changed to our advantaged; look at what the fags did, look at what the aliens did and look at the white women's movement; MORE POINTEDLY LOOK AT THE BLACKMAN'S CIVIL RIGHTS MOVEMENT OF THE FIFTIES AND SIXTIES.

Stop abusing and killing our women; you are planting babies wherever you go and taking care of none of them; creating even greater problems for black ameri-Kans; pussy is pussy its just a hole you act as if you are looking for the best pussy in the world; its just a sleeve in another human beings' body; when you've tried enough of them and you've lived long enough you realize they are all the same; notwithstanding the psychosomatic of what your brain and eyes may be telling you. Yeah I know one feels better than the other; blackman there is no bad pussy as long as it works. Black women don't respect blackmen; that being one of the factors; black women don't respect blackmen because they don't support their women by any means necessary; at one time as long as a blackman supported and took care of his home and family; irregardless of what he did away from home he was considered a good man, valued and respected; it was not then nor is it now suggested that you become perfect, only that you with a degree of reasonableness

become reliable and responsible; start taking care of home; provide a living for your family; ban together with other likeminded men in your neighborhood and adress the black on black violence and crime; ban together to end it; you don't have no choice, quit being a coward.

Get you lazy ass up out of the whiteman churches praying to the white man's fake ass god and be a man and do manly things; ya crying about the racist white pig gunning ya down imagine if ya stop calling the damn pig. Ban together, organize and contact your legislators to pass laws to protect and empower you to protect yourself and your familes, aka,

1). **SELF-DEFENSE LAWS**

@). **LAWS THAT EVERY HOUSEHOLD IS ALLOWED A WEAPON/S OF SELF-DEFENSE EVEN THE SO MANY BLACKMEN THAT THE WHITE MAN HAS LABELLED THEM FELONS; ANY BLACK MAN WHO HAS COMPLETED HIS PROBATION OR PAROLE WILL BE ALLOWED TO POSSESS A WEAPON OF SELF-DEFENSE IN HIS HOME + A GUN/RIFLE, ETC.**

**THIS IS STATE OF AN EMERGENCY!
ALL HANDS ON DEACK.**

This isn't rocket science any idiot could solve the problems of the black man ; be a man and do manly things protect your children and family. If blackmen would stand up to the punks running the streets everything would change for the blackman; his women would start respecting him, his children would respect him for making them safe in their homes and neighborhoods.

IMAGINE IF ALL WHITE RACIST PIGS REFUSED TO PATROL AND PROTECT \$BLACK NEIGHBORHOODS WHAT WOULD WE DO? What would the blackman do? Go an hide under a rock like a coward?

The blackman was but is not now brainwashed by the whiteman's bullshit god pie in the sky childish nonsense; that childishness make^s men a coward, yet blackmen will kill each other; go figure? It makes no sense, but it is our reality. The blackman is still inherently afraid of the whiteman I have seen^d and heard it a thousands times he'll fight for the whiteman in all his foreign wars yet piss runs down his legs when it comes to standing up to the whiteman; simply tell the white racist pig: Bitch I don't want you in "our" neighborhood;

Blackmen **STOP! STOP! STOP!** That you know you don't want and you know that you can't support, that is the epitome of insanity; having sex with a women who isn't on birth control and you not using some form of bith and sexually transmitted disease prevention; at some point grow up blackman and stop that ole ass uncle tom the whiteman's jesus is gonna save us; and what are you going to do besides a bowl movements; do you not see how trifling you are blackman. **YOU ARE A COWARD**, you must fight, you will be fighting something and somebody all the days of your life; it is the natural order of things; look at the white man he fought to steal this country and he has been fighting ever since to keep it. **THE WHITEMAN WOULD KILL JESUS TO KEEP THIS COUNTRY.** But you blackman you want the massa' to protect you while you lay up and fuck maybell, making babies that you know dam well you can afford; ya don't participate in local townhall meetings, at the couty or state level; laws are being make to the disdavantaged at the state capitol and where is your black ass hanging out at the hood smoking dope; trying to find somebody to rob or exploit; no job; bassiacly homeless going from women to women in her house full of children; all the while the whiteman is running the city, county and state and everything he is doing is to your disadvantaged and; why should it be otherwise; you dope fiend talking ninja, ninja out of your mothe.

Whitey is no longer a threat to the blackman, do you know what the white man wants from the blackman??? **STAND UP LIKE A MAN TAKE BACK YOUR WOMEN AND YOUR NEIGHBORHOOD, SO WE CAN JOIN HIM AS AN EQUAL PARTNER, AN EQUAL AMERICAN CITIZEN, RESPONSIBLE, RELIABLE AND ACCOUNTABLE; AND IN THAT WAY WHEN THE BLACKMAN MAKES DEMANDS UPON THE WHITEMAN ITS COMING FROM AN EQUAL.**

Blackman standup , grab your nuts, drop your primitive fears, throw the whiteman's bible in the trash and be your own man.

THE ENEMY OF HUMANITY IS RELIGION!
