

A N T I - S L A V E R Y P O E T !

Who are "YOU" to hold an elderly blackman in his twilight-years hostage in slavery, battered, bruised and tortured, chained and shackled, immured for a lifetime

By what so-called divine right or by what morally "fair" and "just" authority have you committed this heartless murder.

Why have you captured and stolen me from my family and loved ones; kidnapping me against my will by overwhelming armed forces.

What type of sick diseased, biological mutant organism, alien life-form are you to hold me in a cold concrete and steel tomb - behind barbed wire and electrified fences; and armed killers with hi-powered rifles to gun me down if I try to escape..

Carry away to be animalized, dehumanized to this forsaken place of nothing and nowhere.

Forced to wait in death's queue to be rescued denied all humane treatment; all proper and adequate medical treatment served dogfood and soybean filler, barely keeping me alive, to keep me weak and too sickly to resist.

How long have I languished in anguished enduring dying just to be free

Unjustly enslaved, deprived of life, liberty and the pursuit of happiness shared with my beautiful black wife and five beautiful black children.

There are those who "fear" to speak in defense of the oppressed and dying and have chosen "Silence" in complicity as their shield

In the face of great evil as a means of self-survival and "Refusing" to speak up for the fallen, a beautiful elderly blackman with all the history, woes and troubles of humanity artistically etched and chiselled upon his godlike face

The silent ones dare not speak for the right with the two or three

I am a hounded elderly blackman - hell and despair is upon and all around me, as my only companion, with no sanctuary

I do not ask of the wounded black slave how he feels for I am that wounded dying black slave

Make me a grave whereas you wilt a humble grave on a lowly plain for the only "Friend" of the slave is death the path forward

The light of death has created a haven, having illuminated the land of the eternal rest and sleep; pointing the way to a final respite;

My lifeless body laying cold, stiff and worn out, broken and discarded, thrown away like rubbish, rotting smelling and decaying - yet it will still be free.

For this is truly the only wish of the black slave; **JUST TO BE FREE!**

My dying request is only to have my remains interned in any land anywhere that the blackman is not a slave.

" WE " HAVE NOTHING TO LOSE.org

In the words of Donald Trump, "Afri-Kan ameri-Kans, You have no jobs, you're living in poverty and your schools are the worst." Trump specifically reached out and pleaded with the blackman to give him a shot echoing

" WHAT DO YOU HAVE TO LOSE!"

The response if blacks were conscious would have been "not a god damn things when we've lost it all" Some blacks response notable the jacklegged preachers was "I am offended". Truth does hurt doesn't and the more offended that pseudo-black are the absolute more truth in what Trump declared. No one accused him of lying only that he shouldn't be speaking the truth. Blacks in general are cowards, still waiting for the massa' to care for them and tell them what to do while they sit on their fat asses fucking and eating and going to church on sunday praying to the whiteman's invisible god; and how has that being working out for us for the last four hundred years?

Trump specifically reached out to the blackman to wakeup, not the brown, red, yellow or the white; but to the blackman who is most oppressed,

Blacks are number one in every negative statistices in the country.

Truly, the blackman has nothing to lose with a Trump presidency; we have his campaign promise that he will try to make things better for blacks; that is a damn sight more than we received from that sickly Hillary with her lying incompetent ass.

Blacks are like little children you attend their church and jump up and down like a MONKEY and cry out "Save me jesus, save my worthless, cowardly ass." Because I am a coward I just want to sit on my lazy ass and wait until you stop my oppression, repression, discrimination, enslavement and murder. After all that's your job god, Willie Lynch sold this bullshit to the black slaves during slavery and "WE" are still stupid enough to be that some non existing buggyman god come fight our battles and save us,

All the blackman has to do is let his women get fat and all out of shape, putting babies in as many women as he can and supporting ^{believe} ~~non of the~~ ^{of} let the government do; get high party, smoke dope, talk shit, kill each other and use the " NINJA " word a thousand times a day. ^{NONE OF THEM}

Clintons are the most racist and corrupt in all of politicians, yet they hang out with blacks and blacks being mentally retarded like children eat out of their hands.

Do you have any idea how demeaning it must have been for Trump to visit a black church and watch a bunch of idiots, slave jump up and down like monkey's screaming to some invisible pie-in-the sky god. If most blacks would only finish the fifth grade and realize how childish and stupid they look, looking up at the ceiling/sky talking to empty air; Trump is a billionaire. What the fuck would a billionaire need with a god/ Invisible or invisible..

Black women are all into that pie-in-the-sky bullshit; and of course the pimp preacher tell the simpleminded female if he wants the pussy he has to join my church so the pimp-preacher can get paid.

It just rapes the intelligents how in the fuck could a entire nation of people be stupid enough to be sold ~~and buy~~ nothing; crying help pa de jesus is gonna come down and save our trifling ass? The real question is to what end? Blacks in general are cowards, so what use would this jew jesus who has been reported never existed, merely a mythological character; wait with a bunch of lazy fat cowards? No one ask that question, what the fuck would a so-called supreme god wait with a bunch of gutless coward; and what would these blacks do accept sit on their asses, waiting for a handout; making babies, arguing, making babies, getting high; especially since black women are too stupid to take birth control pills; yet they can't keep their legs closed; and they have the audacity to get piss if one of her children's fathers do'n't want to support her and seven other children by six other men; go figure.

But she going to heaven to have a dozen or so more babies WITHOUT FATHERS

RE: Criminal Complaint; Report of Domestic War Crimes against U.S. Prisoner Transport Services of America(PTS) ., LLC, Nashville, Tennessee; appointed agents of the State of Ohio.

ELDER ABUSE, a felony, barbaric, inhumane treatment of a prisoner, abuse of authority. I was harmed and my life senselessly put at risk. Cruel and unusual punishment 8th, 14th Amendment Diseased and deprived cruelty, torture, abuse of prisoner, sadism. 42 U.S.C. 1983 and in violation of A.R.S. 5121:1-1-35

Ohio Adult Parole Authority and Governor John R. Kasich did knowingly hire/appoint as their agents for the State of Ohio PTS of America to transport prisoner Otis Lee Rodgers a prisoner from the State of California to the State of Ohio, Lorain Correctional Institute, Grafton, Oh. On Saturday July 25, 2015; U.S. Prisoner Transport Service presented me with the Governor's warrant and upon inquiry agent Willard explained that U.S. Prisoner Transport Service was the same as PTS.

I was handcuffed and shackled, put in a 6x4 $\frac{1}{4}$ x4 $\frac{1}{4}$ metal cage built inside of the back of a regular van - forced to sit unrestrained on a metal bench with(7) other about two-hundred pounds prisoners; packed in like sardines in a can for a total of 11 prisoners(two females) in about one-half of the van's capacity; all similarly hogtied; not unlike the slave ships of old. No ventilation, forced to endure mutual air of coughing and body gases; with a minimum a/c, temperatures ranging up to a 100+, DEGREES through Arizona, Texas, Florida etc. A travel period of about six days from California to Ohio making a dozen or so stop to unload and pick up new slaves/prisoners. My fellow prisoners in this small cage tossed around a couple hundred times like a sack of potatoes on a roller coaster; snapping my neck, bumping my head and knees into other prisoners. This merciless pounding was for thousands of miles on an already injured back. The agents were driving wrecklessly up to 90+ miles an hours at times - hitting bumps, turning sharp corners at unsafe speeds sudden stops to avoid accidents.

In Mobile, Alabama near the County jail Agent Willard and his goon partner stop the van in the middle of the road, jumped out, unsnapped their gun holsters, stopped the vehicle traveling horizon to the Van's path in the middle of the road; accosting and questioning the young white female driver - she began to cry - after about 5 minutes of interrogation detention she was released.

As the agents drove wrecklessly at high speeds to make time not giving a god-damn about their hogtied human cargo. Not unlike the nazis, fascist or racist white savages of old/slavers. I flew up in the air and slammed down hard on my tail bone and injured back joint on the metal bench. I was forced to sleep handcuffed and shackled in the sitting position pressed up against the next prisoner. It was a sweatbox, tempers flaring and violent arguments ensued, pushing and shoving, prisoners slipping their cuff/chains to fight. The guards to quell the violence they would turn on the heater in 100 degrees temperatures. I was unable to bathe or to brush my teeth saving for two nigh that we checked into a County jail. The smell of human bacteria was beyond sickening and repulsive; one guy threw up when he was loaded into the van.

I could see the two females through the holes in the first van and through to plexagalls in the second van. One female was bleeding with a large cyst near her public hair area and crying because the agents refuse to stop to allow her to clean herself. The other female took matters into her own hands, pulled her pants down and urinated on the van floor twice and then in a bottle that she ripped the top off; leaving her pants down for all to see in apparent anger and frustration as we disembarked the van at a County jail. I was forced to hold my body functions

Racism A Crime

for hundreds of miles, through multiple states until we reached a designated County jail stop.

Our/my repeated pleas for ice water felled on deaf ears and when answered I was given warm bottle water that was already in the hot van. There was the punishment (dog) cage, the agents put you in for - a cage that you would only put a large dog in. I was unable to stand up or to stretch out my legs at all for hours.

I have lost some of the circulation in my right leg, both of my knees have gotten weaker and more painful. My back is so painful it feels like it's broken. I am unable to stand up straight and walk for any length of period of time.

I am sixty-seven years of age in geriatric decline, troubled ailing disable (DPV, DPM), NOW I am even more troubled with reoccurring nightmares of being hogtied and shackled in that slave-van and while I asleep the PST agents run off the road and off a cliff. I see/feel myself crushed upside down, mortally wounded and dying, my life senseless LOST.

SLAVES

TWO FEMALE PLS TWO BRWRS

Cramped quarters for slaves decks on the Amistad.

TJE WORST OF THE WORST OF THE WORST,

THE HOLOCAUST OF BLACK SLAVERY

Non-black ameri-Kan cowardly perverse love-addiction with the enslavement of the blackman is an age-old and genetically passed-down; an insatiable-addiction, an incurable cancer-disease. "Others" were stricken with this scourage of inhumanity towards the blackman, to erradicate and extirminate the blackman, a sickness without a cure.

No "Hated", despised, persecuted and gebocide group in all the annals of history has suffered and endured more than the ameri-Kan blackman. The "Others" non-humans without a conscious or any sense of human compassion of "Fairness and Justice" are a hundred, thousands times more addicted to their cowardly sadistic pleasurable-murderous insidious torturous death, dying of the blackman on their slave plantations; than the most depraved of illicit drug-addicts. Looking squarely in the face of pure evil, the face of a slaver; will scar your sould for all of eternity
