

#233

Letter to joan@forensic-psychology.net
mailed 6 sept. 2016.

Dear Joan,

What's up? Haven't heard from you in over a month. As you can see from post #231, I thought you disappeared on me. Then I received a letter from you, about the blurb, but nothing for 6 weeks.

Please send me an update once a month, at least. And, I need copies of chapters 1 & 2. (I have copies of everything after.)

Give me some criticism!

Tomorrow I'm mailing part 4 of chapter 4.

Talk to me,

Al
