

RYAN LOCHTE
Wednesday
September 14, 2016

Did anyone happen to catch the season premier of Dancing With The Stars (DWTS) last night? Or if not the episode itself, perhaps a report on the news of TMZ? If so, then you probably already know about the two people who ran up on stage, protesting Ryan Lochte, but what no one seems to be talking about is Ryan Lochte's reaction. Not only does he take a step back, to allow security to deal with the situation, which is perfectly understandable, but he also sidesteps a moment later, putting his female dance partner between the protestors and himself. Why is it that all anyone can talk about is how two people were arrested for protesting on last night's episode, and not Ryan Lochte's use of his partner as a human shield?
