Given thought, Ill allways be
Both the people inside of me
The Sun it shines
And night is dark
Allways lives
my little spark
Of course Ive looked
This I see
Most battles fought
were not for me
Ive crushed worlds
and, in them love
I Thought I kept my work
from you,
You followed me undaunted
All these years dare you think
Ive lived them all unhaunted?

I cheer for your accomplishments
Rosebud Shawn you go boy

Peace Be to you all
