Dear MeganD-L,

Thank you for transcribing my post and leaving your insightful comments. My hopes are that you may be willing to get involved with our efforts in a deeper manner. We need someone to do minor internet research for us. It would not be too overburdensome, I promise. Just a couple of searches per month to assist us in gathering information. Please let me know if this is something you would be able to do? Your help would be greatly appreciated and could prove invaluable in the fight to work for commonsense public safety advancements. You can also respond to me directly at;
