Hello Jamie,

Glad to hear from you, and looking forward to even greater interaction. To begin with I am 66 years old. I was born January 25, 1950, in Chicago, Illinois, and am Cherokee Indian. I currently have no family ties - a long story. I began writing the blog in hopes of finding an interested party willing to help me advance my cause. My reasoning is - if no one knows - no one cares. You continue to show interest and inspire hope. I am grateful for that! Jamie, I am a poor man and even the cost of postage is a burden for me. Will you help me open financial doors of aid? Will you also consider opening the door to direct contact between us? Because of these pressing issues I am going to keep this short. I do look forward to hearing from you soon.

Your Friend,
Milo
