Thank you for the encouragement! I would try reading what you suggest: Sadhguru Jaggi Vasudev, however I don't have any access to a computer to read his blog. Maybe you could download/print a few pages & get them to me via snail mail. I'd appreciate it! Hope & Faith - staying strong takes energy ~~management~~ encouragement - a never ending effort, kind of Sisyphean-like when Sisyphus (in Greek mythology) whose task in Hades was to push uphill a stone that at once rolled down again. I push uphill every single day! Your name SIVARAMOM - is awesome! - I like it, what formed the inspiration exactly for you to pick/word your name like that? If you have time, I'd love to hear back from you. Om Namah Shivaya.
