

To President Barack Obama and 1st Lady Michelle Obama

Obama

I just want to say thank you for how you have lead the United States of America with integrity and tranquility. I love the way you all carried ~~yourself~~ yourselves. you was always loving and very caring. you are a legend to the Americans. you open your doors to people that was consider to be the least and oppressed. you treated all people with dignity and respect.

I don't know if you all know Tony Dungy. He was the coach for the NFL team the colts. By the way he is one of my favorite coaches that was in NFL. when he was coaching the colts. I would watch his reaction when things would go wrong on the football field. I ~~say~~ would say oh he's going to get them. But guess what that never happened. Tony Dungy stayed calm under pressure. I said maybe he just doing that because people are watching him. But then they took the camera into the locker room. He was still that same ~~gentle~~ calm gentleman that he was on the field as he talked to his players. I said I want to be like Tony Dungy stay calm under pressure. Then he wrote a book called Quiet Strength.

So I say that to say this. President Obama and 1st Lady Michelle you reminded me of Tony Dungy of his calmness and quiet spirit. when everything seemed like it was going to fall apart and all the enemies was coming from all kinds of direction. you remained calm and you handle those situations in a respectful way. I love that about you. all.

you also showed us that your title didn't overshadow who you are. you had fun, liked some of the same things the average citizen ~~on the streets~~ in the communities lived. you ~~showed~~ showed that you was loving people that extending love to others. you gave the American people through example this is how a marriage should be. this is how a close knit family should be. Thank you for being that example.
