

Dear Father in Heaven,

Monday August 29, 16

Thank you so much 4 the answered prayer on 2day. By that I mean saying "yes" 2 my hearts desire to be in the room with Nett. I feel at peace already. Just the aroma of the room & the fact that he likes the radio on - Christian music. That's a plus. We have yet 2 pray but it will happen at some point before the night is older. Amen. Thank You that we get along & met several years ago working together in the chapel. Who knew back then that this day would come. You. That's who. Smile :) Thanks 4 movin me 2 G-unit just last year. Amen

Thank You 4 putting Dave in there with Scott & giving me a change of heart regarding his personage. I know he not a bad dude, just like on this Adventure in Odysy, everybody can't necessarily live together. God send angels to protect that room. May Scott be used to give dave Jesus, cause we know that You will have Dave to be saved as well. I know he believes as we've talked on it be4 in the past. So I know he knows who You are though now he seems to be clinging 2 the Pagan religion. God help him return home. Amen. God thank You 4 reminding me that I still had the laundry bag.

God I pray that Carl would come 2 the end of his angry self. That he would let You be God like he says so often out his mouth. That You would save him from his pride & ego & that he would truly trust You & find the peace that's available in it. Amen. God open the eyes that the Word may become flesh & dwell in his heart & soul & spirit. Praise god.

God thank You 4 reminding me 2 surrender & be willing 2 submit 2 Ur will. Amen. Thanks 4 letting me know the meaning of the dream: not 2 trust in myself. Because that never ends well. Amen. God if there's any anger at U still in my heart show me so that I can place it on the altar. Amen. Thank U 4 making a way 4 me 2 minister 2 the next generation despite my being denied access into the RYTE program. Obviously that wasn't Ur will 4 my life 2 B in that position. Amen. It's all good!!! Smile :) :) :)

Thanks 4 the catalog with the jouranl Bibles, if U want me 2 obtain one U'll let me know. At the moment my heart is set on buying some yarn & crocheting hats, scarves, nittens, & bears 4 the fetherless & the poor. Amen. Thanks 4 the convo with Dave. I can tell he really enjoyed it & that he loves talking bout crocheting & knitting & wants 2 b of help 2 his community in that regards. Amen. Thanks 4 the time cut U blessed him with . 8yrs is way better than 34. Amen. Thank U that we both can give U the glory 4 what Ur doing in our life. Thanks 4 her humility & her kind words of constant encouragement & reminders 2 keep the faith & 2 have continual trust in Ur timing. I know Jerry the mentor won't show up till the day U have appointed it 2 happen I also know that if it's Ur will I will be visited by Vivian & or Jerry B4 my release from prison. Amen. Thank U 4 using lil ole me 2 speak "prophetically" into Vivian's life. Thank U 4 confirming the message U want her 2 speak on at the interview on CBS 58. Amen. Thank U 4 the faithfulness of her Bible Study group. Thank U 4 Proverbs 4:23. God help me protect my heart with all diligence on a daily basis. I can't do this without U, I naturally drag my heart on the ground. Sorry. Thank U 4 Ur riles, which I now see the love 4 my spirit & soul in. Amen. U LOVE us so much U encouraged us 2 protect our heart cause U knew it was the center of life & would affect all that we say & do. Ur wisdom is amazing. Praise U. hallujah!!! I pray U'll give Vivian the words 2 say. Thanks 4 the words "Be Great" that she added 2 the quote I sent her. Thank U 4 the idea in the 1st place I'm so not smart.. Honestly I hope she do put it on a shirt, just so I can get a picture of it. God willing. Maybe she can even come visit me in it :). Sorry I tend 2 dream BIG!!! Well God I see her words as confirmation bout the T-shirt line that I have in my heart. That it will make a difference in someones life & stop somebody from doing something stupid & that it will make national headlines. Just like Rick Warren book The Purpose Driven Life in the movie Captive. Amen. If it be Ur will may she speak that quote U gave me on the interview.

Meanwhile who am I & what is my house that Vivian would want 2 mention me in her interview. I'm not worthy... Who am I that I should be mentioned in such a capacity. Why would any body wanna talk about me. Y not a woman/women from Coleman? I don't know. God I thank U for whatever it is U up 2. Amen. God thank U 4 speakin 2 me while I was in my newfound Prayer Closet (Thanks 4 that) that my being mentioned on an interview (if it does happen in late september) ain't bout me but what U R doin in my life. Yes, U want 2 use Ur story in my life 2 tell others about U & how great U R. Amen. Yes the testimony ain't mine but URS. Praise God. Yes it's about how U give me breath & sustain it.

Thank U that Vivian & others R keepin me in their prayers & that they give me wind of it. Shout out 2 Connie, Lisa, Shirley, Kim, Gene, Dennis, the Chaplain, Dennis prayer group (of 70)

Thank U 4 this preparation phase of ministry. Thanks 4 Vivians encouragement in the Lord. Made my day. help me glorify U in all that I say & do. God protect me at rec, my glasses R especially vulnerable. Yikes. Keep me from the spirit of vengeance as I do get upset when I feel like people be hurtin me on purpose. Help me 2 have that soft answer that turns away wrath. Thanks 4 the space 2 type & praise U in a letter & 2 blog it & send one 2 Prisak. Speaking of which, God, can U tell me - How is she doin? Ani't heard from her in over a year? What should I be prayin about 4 her? Thank U so much in Jesus name Amen.
