

the most powerful weapon the enemy system of white supremacy, capitalism, & imperialism, has against humanity struggle / conflict for survival, is censorship of that struggle, the next most powerful weapon this enemy system has against humanity struggle / conflict for survival, is distractions, such as humanity struggle / conflict for survival is racial & or religious, as oppose to a working poor class struggle / conflict of humanity, for survival, these are planks in the

platform of the social revolution

party, which is a grassroots

anarcho, syndicalism, &

socialism formation, in

solidarity with the prisoners

resistance movement, for more
