

Dear ZuzusPetals,

Hello! Thank you for your comments. Everyone here is very excited about your speech for the Walk For Inclusion. Should be a diverse group of speakers there; ex-prisoners, family members, college students, Nation Of Islam minister, Christian Minister, etc. You will be "The Voice Of The Prisoner" for me and for your son; CURE-ARM is appreciative!!!

Keep up the great work and know that what you do, as well as your friendship, is greatly appreciated! Hit me back soon! I am,

In Struggle,

Timothy J. Muise
