

Dear TriciaMartel,

Thank you so much for your kind comments. We are all working hard here to rectify my legal situation. Thank you for your concern.

My hopes are that you may be able to get involved with the effort on a deeper level. We need folks who can do minor tasks of research for us; basically just doing a google search here and there and printing out a hard copy of a report or article for us. Is this something that you may be able to do? It may not sound like much but it would be extremely helpful to the effort. Please let me know directly. You can reach me at;
