Between the Bars,

Hey, what's up ya'll out there? The prison yard cl AM is LOCKED DOWN!
Since Friday! No staff has told us anything! Coincidentally, football is on all weekend
long! College football on Saturday & Pro football all day Sunday! Staff pizza party in the gym?

'I HEARD' - that 2-4 weeks ago, an inmate hung himself (SUICIDE TRY)
on the outside (yard) & as he dangled, prison guards ran over & tried
to untangle him & couldn't - so - guards brought a ('cut-down' kit
that contains a cutting instrument of some type) cutter & used it
to cut through the garrote (hanging apparatus) & after cutting
down the inmate & placing him in an ambulance - all was well!

Prison is a place of extinguished dreams made worse by oppression of our rights - by staff, 'I HEARD'

EXCEPT: 'I HEARD' the guard who cut down inmate, put down the "cutter" (metal)
to load the inmate in the ambulance (& IT DISAPPEARED!) & this
all happened 2-4 weeks ago! It can't be found anywhere! Even in the
ambulance used that day! So, the entire yard population is "Locked
Down" status for I guess 'safety & security'. I think the whole thing
is suspicious - Why weren't we 'Locked Down' the 'day it was missing' [the
'cutter' that is]? If no one turned the cutter into a knife & used it w/in the
past 2-4 weeks, why 'all of a sudden' lock us down on a Friday? Was the guard
who lost the metal "cutter" even reprimanded? No one told anyone anything!
We're still guessing & that's where the RUMORS THAT I HEARD COME INTO PLAY!

Sincerely,

Michael Manjeet Singh
