Dear Marcus & Family,

I'm hoping all is OK with all of you. Me, I'm doing the best I can under the circumstances. It's hard for me to believe I've been in these rat holes for 13 1/2 ^{years} now depressing

I've tried to hold it together but all I seem to be able to focus on is all you guys. Please just know that all of you are on my mind Every Day and I Love each and every one of you. Please don't Hate Me...

In your response to me way back in March-April of this year you'd said and I quote, "I will come and visit someday to talk face to face". You were not sure how or when, "but for now this will work".

I'm assuming you meant using this Blog to contact each other? I've wrote to you (?) twice in May & June all without any response from you? You guys are my flesh and blood and it's so hard for me Not Knowing if all of you are OK. And most definitely your mother too.

There are only so many ways to say sorry I'm SORRY. But of all my foolish dumb ass ways, just look where I ended up, and without anyone who loves or cares. Please try and share with the whole family...
