Dear Boston Rocks,

I just wanted to say thanks for taking time out of your day to upload the contents of my blog to the site. It might seem like a trivial thing to you, but I assure you that, to those of us in here who aren't able to do such things on our own, it's not, and it's appreciated more than words could ever say, and in ways we couldn't even begin to describe. So again, thanks, to you and everyone else who's helping do this work.
