

b7yg:

My post "Attitude" may be transcribed in any manner you deem fit to fit your purpose. Any post that I do send is intended to, hopefully, enhance the lives of others in a positive manner. Alas, hence, my hiatus from posting. I have been on a journey of self-improvement, introspection, prioritizing and delegating and regulating in which my daily emotions are dispersed.

I do apologize for the bold lettering. It has been my practice in highlighting points that I feel are sufficient to make a point. I appreciate being made aware of your plight while attempting to transcribe my post in the least painful effort. I salivate in improving on every level I may be aware of and those I am made aware of. My gratitude for responding to the post. I apologize for the late response, just received your response on 10/21/16. I appreciate the volume of material btb and the post office must handle. I always try to respond whenever I receive a positive response on any of my post.

Thank you again.

Sincerely,

Keith
