

Dearest "Vanessa",

Hello!It's me,"ANGEL",the one you blogged(<http://betweenthebars.org/588> / on July 7,2011-but in a way that seems along time ago,or don't make sence to me?.either way it dosen't matter to me;) ..Oh,wait!,maybe it's the date I started that site,and not the day you made me smile?.It's the smile that's most to me-so THANK YOU:))!!

So,alot has changed with me sence I last updated my blog.To start with,I'm no longer in Ad.Seg/the hole-and I don't plan on ever going back there,period!.Going through hardship is not for me no more.I am now focused on "GOD",doing good/college,and going home.So 'NO',I'm not serving life;I'm actually getting out in 1 to 4 years-no parole broad,maybe early release on PROP:57,and straight out regardless:))!.I'm also in no relationship at this time.Not that I don't want one,I just haven't been tripping on one-had to get myself together in order to take care of the one I will love in my future that "GOD" will bless me with;)..And yes,I have a plan in my life to do good and stay out;AND MORE IMPORTANTLY,I am working on it now with room for exceptence & committment. I love having my mind and heart open-even if I'm not receiving any love right now..But world beware!;because when I do get blessed with love,I'm closing my heart and trapping that special someone with love forever:))!.

Oh!,For the future as you could tell,"SNAIL MAIL" & phonecalls are easiest and best for us unfortunate ones on this type of vacation.So here's my address:

Also, I could only call you PrePaid..

Other then that,just thank you for putting a smile on my fave with your responce to my blog.And I "HOPE" to here from you soon??

Sincerly,

P.N:

I'm 37,and the least thank you for being a friend:)).....
