Dear MeganD-L,

Thank you so much for agreeing to help out. All I really need is for you to from time to time find some information for me on the internet and then forward hard copies of it to me here at the prison. It won't be too labor intensive and won't take up too much of your time.

For starters could you please see if you can go to the "Emancipation Initiative" website/facebook page and print me out a copy of my photo and information that appears there. Could you please also print out copies of any photographs that appear there from the "Walk For Inclusion" which was held Sunday, October 23, 2016. This would be a great help to me as I have no access to them. Please send them to me at;

Thank you in advance and I will be very anxiously awaiting your reply. I am,
