

BLACK LIVES MATTER REVOLUTION exposes racism

LEGALIZE BLACK

People get used to anything. The less you think about your oppression, the more your tolerance for it grows. After a while, people just think oppression is the normal state of things. But to become free, you have to be acutely aware of being a slave.

THE WHOLE
DAMN SYSTEM
IS GUILTY AS HELL

U.S. Racist double standard

Black leader targeted & arrested

I was captured, snatched from my family and loved ones, unjustly tried under California's infamous draconian Three-Strikes law of being I.) Poor, II.) Black and III. Targeted, charged with a fictitious crime, summarily convicted and mercilessly condemned to the death of prison ALL in the face of the "named victim" Joyce R., pretrial in open court sworn repudiation of the prosecutor's vicious lies of her victimization by me. The drafted victim Joyce R. in moral outrageous in protest of California's iniquitous defacto black code lynch (slave) law refused to participate in this legal lynching, boycotted the kangaroo trial, fleeing the state in fear of retaliation, abandoning me an innocent man in the claws of these lying maddogs.

Riverside County prosecutor an abominable, despicable creature, a typical idiot declared that he didn't need a victim and produced a simpleminded illegal meeikan alien, Sandra Rodriguez under threat of deportation (having to leave her many anchor children) to commit perjury, to change her story and to testify falsely that she, a percipient witness observed me commit a firearm assault upon a black Jane Doe of which in undisputed rebuttal 9-1-1 Sheriff dispatcher Barbara Lang testified that the illegal messikan Rodriguez was (a perjurious liar) because she had initially reported to her that she had no visual and she saw no weapons; as is confirmed by the 9-1-1 tape of which my attorney John Ward, 415 255-4996 has a copy. The atrocities of these 1950 Mississippi style legal-lynchings occurs only in the slave state of California.

My freedom was wrongfully stolen without probable cause, my family (my beautiful black wife and my (5) beautiful black children) gone, lost, destroyed and here I remain, hostage held against my will. under threat of death in this nothing place of the living dead by depraved slavers in an animal cage. Dehumanized, served dog-food and soybean filler, rotting away, life wasted, senselessly murdered by bestial-savages. Human life is to be valued, respected and preserved and we all know slavery is wrong: An insidious, barbaric, heinous crime against all of humanity.
