Thank 4 transcribin my post. Hope it wasn't 2 much trouble.

Thank 4 leavin a comment -n- encouragin me 2 write. I will -n- I shall ☺

Thank 4 ur servant ♥ know that it is duly noted -n- appreciated. Not easy these days 2 "give of urself" 2 others. People definitely know how 2 take. They also know how 2 have an attitude of "U owe me" N one of ingratitude. As I pen this I hear my ♥ tellin me that I'm guilty of doin the same thing 2 God. ☹ Definitely gettin over come that, feel me?

Well just wanted 2 say thank -n- I hope that somethin of mine that U transcribed left U better ~~up~~ or uplifted U or inspired U or taught U or made U stop-n-look at somethin ~~different~~ differently.

Goodbye

Respectfully
