welcome back ;) I like that is: Not 2 mention all the colors life has 2 offer -n- pushen - ~~no~~ N relationships that R more upbeat -n- life driven. Notion like talkin 2 a woman -n- get'n her perspective on things.

No need 2 apologize. I'm quite well acquainted w/life -n- it's (untimely) circumstances -n- situations. But mainly I'm like the 1st cousin 2 grief. So much so I just finished a grief support group 4 the 2nd time. Far as my daughter is concerned, that's a subject that has been a source of my pain :)

A week b4 her 19th Bday 3 of her letters came back - Return 2 Sender " That was a death blow I cry'd -n- shook my fist at God. His only response was 2 remind me 2 cling 2 His promises in Deuteronomy 30:19 "Choose life -n- it shall be well w/ u -n- ur children" Amen. So now I'm just sitt'n on the perch waitin 4 her 2 return home so 2 speak. God is good. So ~~be~~ Be it. Just gave her writin in her journal -n- place her in God's hands. Feel me? Somethin in my e? tells me I may not see or hear from her till I get out. Just gone keep growin as a person -n- as a Father - child of God - friend - brother - minister (-n- husband soon I find whoever she is ;)

• I pray that u prayed up. My e? goes out 2 u. One thing I've learned from the losses I've experienced is that it's tuff when u no longer have the person(s) u viewed as ur Rock, Backbone, Life etc. Does that make sense?

I've learned that in order to get thru life I need a constant Rock, Back bone, source of life, etc. - Psalm 27:1 helps me when I'm strugglin heavily w/ missin some one. "The Lord is the strength of my life -- *whom shall I fear" (what shall I fear)

Broh Nick I trust that God is right there with u. beside u, inside u, -n- behind u. Talk 2 Him He'll talk back. Amen. Jeremiah 33:3

Let all the pain -n- suck of life lead u 2 Him. Amen. He will give u strength, courage, hope, love, a wisdom, healing, togetherness, -n- even a spiritual family.

See Mark 10: 28-30 That's what the church is about.

A Godly one NE way. If it helps when u find urself missin ur mom try writin a letter 2 her. - But also turn off the TV, radio internet etc. -n- spend some time just tellin God how u hurtin - etc. -n- how much u miss ur mom -n- whatever else may be heavy on ur mind. 4 example I find myself cryin out but hate n still been in prison -n- dealin w/ all this foolishness. He remind me 2 trust Him. N cling 2 His promise that this will all be over soon. Started my 20th year -n- He told me I'd do 20 so NE day now my miraculosa release will occur.

I ~~was~~ seen parole 4th time in May. Got a 24 then they reduced it 2 18 months. That was all God. Feel me? So give me a minute I'll be out there w/ ya. :-)

Because u mentioned sendin A I have 2 tell u that u ka 2 send a order by itself 2
