COMMENTARY ON THE FOLLOWING DOCUMENTS:

#1: MCI NorfolkWorld/WallyWorld superintendent Medieros simply confirms that the DOC employs slave laborers in violation of the law. In Massachusetts prisoner must be paid for their work in line with a pay scale law for such prisoners, but at WallyWorld they are obviously ABOVE THE LAW! I'm "takin' out the trash" for free, but when I get them to court I'll be "takin' out the trash" in another form!

#2: The Dr. Kavorkian Medical Staff here feel they can harrass a man into taking medication. I ain't with that so I will use the Free Speech Warrior tactic of "make em' do some paperwork" to get them to stop the bullshit (plus we will bring it to the attention of those who can do something about it!) I'm waiting for the Mass. Board of Professional Licensure to rule on the complaint against the license of the Health Services Administrator that has been filed. You Frankensteins ain't above the law or the scrutiny of Free Speech Central!

#3: The Parole Board, and its Nazi Chairman, don't like sending data to Free Speech Central so we do all within our power to interrupt their numerous coffee breaks. Its too bad all the state agencies are in colusion with the "jobs program", but every once in a while someone goes to prison; like the Chairman and Vice Chairman of the Probation Department, the Compounding Facility folks, the Hinto Drug Lab "Dookhan" bitch, and Sanya Frajak from North Hampton. We will keep fighting... Count on it!

Mr. Muise:

Your letter to Commissioner Turco dated November 12, 2016 regarding compensation for your employment has been referred to my office for response.

In your letter you inquire as to if there are good time only work positions. Be advised there are positions that offer only EGT as there are a limited number of pay slots available. I have been informed by the assignment officer that you were notified your position was EGT only and you were informed you are on a waiting list for a paying job.

You are free to decline the EGT only job and wait for a job that is in a pay slot.

I trust this addresses your concerns.

Sincerely,

Sean Medeiros,
 Superintendent

Informal filed No

Complaint THIS IS A STAFF MISCONDUCT GRIEVANCE for HARRASSMENT:
I have been schedules for what the medical department calls "non-compliance" conferences on five (5) seperate occasions. At each so called "conference" I informed medical staff that I was refusing any treatment/medication, which is my right, but none-theless they continue to schedule me for these conferences. This is a form of harrassment/staff misconduct and is not a medical issue, thus making it reviewable under the grievance process. Five (5) times I was scheduled in the IMS for the harrassing conferences, five (5) times I informed staff I was refusing any treatment, but they continue to schedule me.

Remedy Requested Have medical staff instructed to cease harrassing me with these IMS scheduled non-compliance conferences.

Dear Ms. Pease:

I have received the petition of Timothy J. Muise appealing the non-response of the Office of the Chairman of the Massachusetts Parole Board (Board) to an August 17, 2016 request for public records. G. L. c. 66 § 10(b); see also 950 C.M.R. 32.08(2). Specifically, Mr. Muise requested copies of the Board's "Annual Report" and "Rules relative to its performance." Having received no response, Mr. Muise petitioned this office.

Subsequent to the intervention by a member of my staff, this office was notified that a response was provided, dated August 25, 2016. Whereas this matter was opened based upon the Board's failure to provide a written response, I will now consider this administrative appeal closed. Mr. Muise may appeal the substantive nature of the Board's response within ninety (90) days. See 950 C.M.R. 32.08(2).

Very truly yours,
