Dearest Son & Family,

I received your first blog
reply some 5 plus years ago. You
yourself said "I will come visit
someday to talk face to face.

Your
Own
Words

I'm not sure how or when too,
But for now this will work"
To date I've replied 5-6 times to
the correct address and have
gone as far as to contact the
Manager of the City, Mr Charlie
DeTav to make absolutely sure
my letters/blog postings go to you
where in fact posted properly.
I have his reply right in front of
me dated July 6, 2016.

This time of year for me
in here with "No One" is the
very worst punishment of all!
Why write that you'd respond?
You a grown man free to make
all your own choices. I must
ask, are the rest of the family
so dead set against me, their
changed your mind? PLEASE
Help me to understand ???

Hurtin's real Pod Love, YOUR FATHER
