Savant Thoughts : ON Black men getting Rich  
and marrying outside the Race!

While it appears less of it today, I whole-  
heartedly agree, there is still too much!

Though it appears from my perspective herein it  
is about matters of the "Pocket Book - Wholly NOT  
of The HEART - i.e., issues of "UPLIFTING OF THE  
BLACK FOLKS"

MR. BIG SHOT STATUS!!!

What color is the owner of That Particular show!

"IF YOU HAD A CHOICE OF COLORS, WHICH ONES WOULD YOU CHOOSE, MY BROTHAS"

"RACISM" is complicated and OPAQUE as Embedded in The AMERICAN PSYCHE

Beware of The RACIST WHITE NEGROE:

"Another sticking point for Minaj is how some of her peers in hip-hop continue to tell these women they are not enough: I'm so tired of black women feeling that when our men get rich, they're going to leave them for a woman of a different race", she says "It wasn't funny when Kanye [West] said [in his 2005 hit "Gold Digger"] "When he get on, he'll leave your ass for a white girl - and Kanye happen to be with a white girl now. It wasn't funny when he said it; it was the fucking truth."
