

“At These Times...”

*Crickets are out at night
Giving nature an earful of symphony
All creatures great & small
Lean in to learn meaning*

*How can a heart be so burdened
When God stretched out His beauty
In all the crevices in the earth*

*Frogs cast songs into the darkened night
Thrilling all ears that can hear
It's at these times
That I know God is!*

-James Collins, Alias J. C.
