

Happy New Year
Between the Bars.

Jan 1, 2017

Hopefully this year will be better than 2016. Man we had alot of our favorite celebrity deaths along with unextraordinary presidential elections and for some us we had personal tragedy in our families, bad doctor reports sd, sd on.

I encourage you all to keep your head up and be encouraged. My grandmas use to tell me. When things are at it's ~~best~~ worst. Better

One night around the corner. I appreciate everything you do for us. One day when I get fortunate I want to give back into your organization. Once again thank you for everything Between the bars. I've ~~enclosed~~ enclosed some ^{comments} ~~answers~~ to the comments I've received from my blog in 1092.

Sincerely
Jennifer Johnson
