Dear Gypsy,

As always thank you for leaving the comments. Please remember that I do not have the whole blog in front of me, I only get excerpts with your comments and a short blurb of what I have blogged. It is hard to undersand what you are commenting on if you are not specific. Let me know what you were commenting about, you say, "Looks like something will be waiting for you when you get out..." and I have no idea what you mean??? Let me know.

Thank you for being a loyal reader and friend. I hope to speak with you soon. I am,

In Struggle,
