

BLOG 4-6-16 Wed

I was awoken at approx 8:44am (my time) "Murphy: PRC" was that was fast just talked 2 social worker Monday. Normally it take a couple weeks. Even so.

I jumped outta bed, got my "greens" on gargled some mouth wash, then grabbed my Rashier portfolio & the blue I. I headed out. Once there I spoke with Charles bout the College Guild. As a break was provided the thought peeped into my head 2 go back & grab my Compass test results. I did so.

Back in my cell, Scott replied, "that was quick."

"O I got somethin"

"Well I hope U get all God get 4 U."

The thought came 4 me 2 pray w/ him. Now. I dismissed it & walked out like "I can pray down here. Plus Scott watchin TV Don't want 2 interrupt. Haven no place 2 bust the door open.

U got a see?"

"Yeah"

"Need 2 pray..."

"God thank U 2 pray. Ur will be done, that U speak through me. That U send ur angels 2 go BY me & Behold me, that U be with Charles I pray they see his heart which only U knew. In the name of Jesus Amen."

I re arrived. I sat next 2 Charles again - just on the left side. I showed him the College Guild stuff & we spoke upon Jesus, Christianity & how Satan is good at changing the narrative. Good at heav'n key points out, like he did in the garden of eden. Trich no good. We must know Jesus 2 trump Satans lies. "I'm not gone let one moment of my life be my narrative. Amen. My narrative started in 1979 the moment I existed my mother. And it is still on goin. I will define it. Not the person who pens the "unauthorized biography" Amen

I gave Cheryl I said 3:10 as a prayer
& mentioned I even wrote it on my Pakehe
papers. Then remembered him - GOD IS ON THE
THRONE. Amen.

Time ~~to~~ him 2 go in. "Prayer 4 me"
"I have & I will. In Jesus name."

I then spoke w/ Joe but my failures as a
Christian & need 2 step out more by faith.
we spoke on upcoming visits & PRC in general

My numbers up ☺

I put on a bigger smile & headed in 

"Who R U?"

"I can't tell ~~it~~ if U got ur ID tag on right."

"My bacl. Murphy"

"Course it's ur bacl. It's not my bacl."

Under my breath I prayed. Get under my feet sudden
where U belong. Tryn 2 steal my joy. get under me.
In Jesus name."

My offences 4 robin & sharon women & heaven marijuana
were read off. (I reminded them "who I am - I don't here
inspire ~~to~~ bias) Other misc things were read as
well, along w/ my desire 2 get AODA chr my list
of programs.

I been allowed 2 comment said - well 2 people in
Doc said there's no AODA program 4 me so no sense
of ~~it~~ havin it. Guess there's no low risk program.
So -

"Well that's true but we don't know the ~~factor~~

Ps 2 4-6-16

future or what it holds. So maybe there will be one day. So we gone leave of in there.

"Also ur compass make u high in ? so we gone see u CBP."

I smileed ☺

"What's funny?" said the woman who ^{1st} spoke 2 me but my ID been on wrong

"Nothing's funny."

"Just I had a dream I was put in CBP. So I was thinking beel."

"Oh"

"So when did u get admitted? How old were u at the time of the offense?"

"18 yrs & 60 days"

"How old R u now?"

"32 I mean 36 I don't want 2 lie 2 u"

"R u always this happy."

"I was born happy except when I shed somebody!"

"Nothing's wrong. just wanted 2 comment on ur personality."

"Keep it up"

"Yeah we don't get that every day."

"Ur on Grant right? Hows that workin 4 u?"

"Great"

"Well ~~have a nice~~ that's good 2 hear. Have a nice day."

"U 2."

I bumped into Bro Garcia, who said, "What they do 4 u?"

"CGIP, but if's all good I see Parole next month" 😊

I then seen Bro Parol, who spoke on his upsestress but been in on ~~the~~ which resulted in 20 days in seg & a fresh on his record. I reminded him what Joseph went through - gone 2 prison 4 yrs 4 nothing & quoted I saw 54:17. Amen. Then reminded him that God would bless him inspite of it w/a good celly. He then mentioned he had a good celly & they do Bible study. Amen.

B4 all of this when I 1st got 2 PRC I seen Jeremiah get'n his hair cut I peeked in & told him "Happy Birthelay."

"I knew I would see u 2day," he smirked "That's how God works... That's how God works!"

P.S. Didn't want CGIP but I prayed God's will be done Amen. The Joy of the Lord is my strength Meherach 8:10 So my Joy is in the fact that God gave me the heads up. Just like my doin 2 days Amen.

Bless
