

Dear jfisherwood,

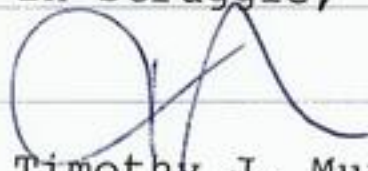

Jeff,

Thank you for your kind comments and I am so pleased you appreciate the work. Glad you are hip to the misleading (I call them lies) stats that the DOC supplies. My life is spend being subjected to their abusive lies each and everyday, but the biggest con game of all is playing out in epic murder rates in the inner city; that being the con that the gulag provides rehabilitation. This is a jobs program for state employees; nothing more, but much less in many ways. More reports to come.

Do you think it might be possible to help out on a deeper level Jeff? Let me know if you see yourself playing a direct role in the work we are attempting to do from the inside? Get back to me on this. I would be honored to work with you.

Stay sfae out there and I'll be hoping to hear back fr
from you very soon. I am,

In Struggle,
