

Dear Brett,

So glad you enjoyed the stories. Sad truths most of them... Do you feel as if you may be able to get involved in the "movement" in a deeper manner? I can always use some help in the effort. Please let me know how you may see yourself playing a larger role?

I value your readership. Please keep reading and commenting. Ask any questions you may have and I will answer them the best I can. I am,

In Struggle,
