ANOTHER YEAR

1 of 4 pages

I find it Really Rewarding. TAKE The time and invest in yourself And Tell me Did it Change you. Don't forget to cut & copy my quote. A Chapter of your Life Has Just Ended... And in The course of Navigating your way Through Did you notice? The events or people who left you in better shape. The static that tries to break our God given peace. The Blessings that I am Truly Grateful for. They ^{make} me stronger and Bye those Blessings you recognize Real unconditional Love, Loyalty, Dependability & GOD's GRACE in supplying it All.

The only Thing that makes it trying is The Resentment of my inability to show my full Gratitude to those who have been my motivating factor and been my friend, and family I have incurred some losses emotionally, financially and spiritually my heart has felt like it was tossed around and then to the side.

But in it all was lesson's & instruction's. and The
Really nice Thing ABOUT Reflection's, The Things - you
TOSSED TO The Side and up TO The Game GOD!
You Can look at Them Again and if you don't
do Someth - with It, Then leave It in The
PAST, NO luggage in TRAINS into The YEAR 2017.

I HAVE incurred some losses, Emotionally
Financially & Spiritually while ANGER Frustration
& Bitterness yelled from The Side line BUT
Kept in Check Bye my foundation YOUR Root's must
Be Deep, DEEP enough SO That when your
Kindness/SERVICE is EVEN USED against you. "so sad"!

When BRUT Honesty was no longer in people's
BEST IntREST, I Chose TO Respond w/I don't Know.
Even IF I do, as I lost Relationships with people who
Can NOT Interpret my BRAND of Friendship. I
HAVE learned many lesson's AFTER 16 year's in this
NEVER Ending Cesspool of misery & Hater's!
AS IgnORANCE Become my Shield as I Remain
TRUE TO Those who still Have The BALLS TO 2

STAND UNDER THIS UMBRELLA, BECAUSE IT
NEVER RAINZ!! IT ONLY SURGES A CONSTANT
TORRENT OF BASEBALL SIZE HELL, ... HAIL
my BRAND OF WARRIOR GET IT, WE DON'T HAVE
TO TELL WAR STORIES ALL DAY. BECAUSE WE
WAS ONCE CUT FROM THE SAME CLOTH. AND
BYE IT WE SHALL SURELY DIE. LET ME
BE PERFECTLY CLEAR, SO THAT THE SUPPOSITIONAL
ON LOOKERZ DON'T GET IT MISCONSTRUED AS
USUAL. OUR COMMONALITY IS NOT WHAT FORGE'S
OUR BOND. IT'S HONESTY. CAUSING TRUST, DEVELOPING
REVERENCE AND THE TEST & TRIALS COMEMENT'S
AN UNWAVERING LOYALTY. AS EVERY TEST TO
DIVIDE AND CONCUR ONLY MAKES US STRONGER...
ALL IN ALL THIS YEAR MY HEART & SOUL HAS
BEEN A RECURRING TARGET I HAVE PATCHED UP WITH
AS LITTLE OR NO WORDS. BECAUSE DESPITE MY FLAWS
I NEVER FOCUS ON THE FLAWS OF OTHER'S I DON'T
KNOW HOW TO LOVE PART TIME IT'S ALL OR
NOTHING SO THIS YEAR HAS TAUGHT ME MUCH

So I will narrow it down to what has impacted my life. The most first don't neglect those who love you unconditionally. Family blood like spilled blood has no limits and you can't make everybody happy and try to be aware of the impact on those you invite in. Keeping in mind your words will never outweigh your actions, and your actions will project your feelings & intentions.

So as we enter a new year may your God continue to bless you & keep you safe. and cut & paste this quote to at least one other person.

2017 Calm 

Every encounter every family member friendship no matter how minute or fleeting has the potential to help mold you into the person you will eventually become as well as them. and to those who have stood by me thank you even tho words are not enough.
