Dear Joann Merrill12,

Hi, I received your comments on my blog today. I was very interested in this so I am responding to you. I do not have internet access and I cannot make calls out of the USA and the phone numbers you gave me are so long, I am assuming they are not USA numbers. I don't know how to get a membership form or who to send it to so maybe you would be willing to help me like Mr. Morris Donald helped you? I don't have many people in society that would be willing to help me so since you sent me this e-mail on my blog, I am asking you for your assistance. I, like you, have dreams but with no money or power or friends with power, none of my dreams can ever become a reality. I rot in a prison cell, struggling to pay my cable tv bill each month, struggling to feed my self, I ma searching for a better way, a better life, a meaningful life. If the brotherhood can help me attain my dreams or goals, I want to learn more. So please do not hesitate to contact me. You can either send me a letter to my address or contact me via e-mail.

You can reach me by mail at:
