

"HAPPY BIRTHDAY LIL MUFFIN"

Lil MUFFIN cute AS A button
I'm glad you're turning three
I smile everytime I look at your picture
CUZ in reality, you look like me
NO if's, but's or MAYBE's
You're definitely granddaddy's little baby
I know in life you will get FAR,
Your smile is illustrious
You're my 2nd little STAR
So continue to shine my little one
Be AS GLORIOUS AS THE SUN
I look FORWARD to the day that I'm able
to Hold you, Hug you, Cook FOR you, Kiss you
Read to you, take CARE OF you, tie your shoe
because I love you
Take you to school, Teach you, Zip your coat,
WATCH you sleep, WAKE you up, listen to you Fuss,
even if you MAKE A MESS AROUND the House
it's — o'kay, — CUZ, you're my little BAY!!
I'll Help you with all of your Homework & test!
I'll do everything FOR and with you, that I WASN'T
able to do FOR and with your MOMMA,
my 1st little PRINCESS
HANNAH BANANAH, lil MUFFIN My Baby GIRL
When you said: "I love you" on the phone
I Felt like the MOST Blessed MAN in the world
CONGRATULATIONS my lil Sweetie Pie
ON turning three,

As you get older AND become A young lady
You'll see, — You & Your MOMMA, look just like me !!

Happy Birthday
Lil MUFFIN
From your
GRANDdaddy
