"Self", our biggest enemy it's our

own fault, for so many mistake's we've made
So why come we can't get it right, Cause if
we just move on period, forget the self pity

have some dignity "man up" be that dependable
father an husband or boyfriend, Provider, stop

the game's stay in your own lane, I'm 35 yrs
old an searching 4 my (forever friend) who'll I'll love
like there's no tomorrow, Cause "now" I understand
being everything they need, yep they, Cause sometimes
the best things come in packages and I've got a
strong back; so I'll tell her "relax", I got it regardless,
if she stress, I stress, together a united front ready
for whatever, but it all start's with self; Im challenging
a Curvy thick woman whose willing to believe in
the unknown, we can turn this into a beautiful love
