

Lyle Menendez

Did anybody out there see the "ABC" special on the "Menendez Brothers", on the 5TH JAN. 17? Lyle Menendez lives in my building (B9), here on "B" yard at Mule Creek State Prison. He's lived in my building for almost 4 years - he came from the "A" yard (LEVEL 4) to my yard "B" yard (LEVEL 3). Usually LWOP's can't come to a LEVEL 3 yard, but CDC changed the rules almost 4 years ago. So if a LWOP has earned LEVEL 3 points, he can come to a LEVEL 3 yard.

I've talked to Lyle a bunch of times. Overall he's a pretty nice guy. He's in real good shape & works out a lot & plays soccer. He tries to help the other inmates out. He's Chairman of the "INMATE ADVISORY COUNCIL". I like him as a person.

Well thats all for now. Take care & I welcome any comments on my post. I hope you all enjoyed the Holidays. ☺
