Uh, sure we can correspond. Why, I wonder, didn't you just send a letter in the first place?

See, I've had maybe a dozen people say things like that in a comment, then I reply, like I am with you, yet never hear from them.

Then I've had people like Joan offer to help me publish my bio, then do a ghost on me. So I'm more than kinda jaded.

I don't do personal "correspondence" through my blog. If you want to correspond, send a letter to me: Nate (not Nathaniel) A. Lindell #303724  
WSPF P.O. Box 9900  
Boscobel, WI 53805-0901

Given that you've read my [prisonmates.com/NateLindell303724](http://prisonmates.com/NateLindell303724) page, if you read everything, you know enough about me to decide if you want to (check one <sup>or more</sup> & let me know):

- be a pen-pal & keep it light (I hate light/shallow)
- ↑ & consider a deeper friendship (I'm lookin for this)
- ↑ & consider romance (I am a sucker for love)
- work with me on prison abolition projects
- help commercially publish my writings & art, for a cut
- bust me out (boy, good luck there!)
- catfish me (tell me you're a 26 yr. old stripper & send believable pics!)
- stalk me (I only got one stalker right now, a gay dude)
- send me unwanted Bible study crap (tell me I'm evil Baby! 😊)
- hire me as your therapist (I'm pretty good, really!)
- tell me how your cats are doing, all 30 of them! 🐾
- some other shit. (be the first member of my cult! 😊)

You must set the boundaries, because I'm a criminal & liable to do anything! Well, really, I'm not about hurting people, excepting assholes.

And, yes, I only get two free 1oz.-postage envelopes a month. If I'm someone you have a serious interest in, and are able to, please order me postage-embossed envelopes & paper so writing you doesn't preclude me mailing blog posts & threatening letters to the President.

You may do so from [WIinmatepackage.com](http://WIinmatepackage.com)

# 6515453 (5-pack envelopes  
six at a time, max)

6515104 (100 sheets paper)

P.S. I really am square when it comes to drugs & alcohol & I don't use or take advantage of women. I will crush, CRUSH you in Jeopardy though!
