- FREE SPEECH WARRIOR "OUT OF THE BOX" AND INTO THE RING!

I am happy to report that on Friday, January 20, 2017, gulag officials at NorfolkWorld chose to spring me from the box. Scary Sherry and her \$84,000.00 a year decided to crack the biscuit and let the Voice of Exposure out of the can. I immediately met with a wonderful student from Harvard Law School who is representing me at this time in this important Free Speech matter. The fight has only just begun, we are in the ring and it is round one, but we plan on bringin' in the "Big Guns" down the road as powerful lawyers are already on the issue. This dog bites and you would figure that the gulag brain trust would learn this by now.

As it has been reported on this blog the gestapo wrote me a disciplinary report on Sunday, January 8, 2017. When I told em' "I'm seeking counsel.", they backtracked and decided to write a "new" disciplinary report. Both of those D-Reports follow this piece as I love to post DOC documents on the blog. Please give them a read and see for yourself how they do their best to silence the complaints about conditions of confinement and blatant staff misconduct. Our "Free Speech" is slowly eroding their lack of accountability and their day is coming; trust and believe.

Thank you so much to "Annie" and Harvard PLAP for their support and understanding of the issue. They see clearly the importance of the work we do and that sometimes you have to use unorthodox means to effectuate the process. Agitate, disrupt, Resist! It is our right!!

- THE DEPARTMENT OF CORRUPTION CLAIMS "WE HAVE NO SOLITARY" I'M DREAMIN' I GUESS???

When some of my supporters (a big thank you to all of you) reached out to the gulag and the department of corruption to ask why I was held in "Solitary Confinement" on Category 4 (the least severe) charges?, the gulag Himmler's stated, "We don't have solitary confinement in Massachusetts." I must have been dreamin' then as I was locked in a tin can for 23 hours a day, by myself, for two weeks. If that ain't solitary I don't know what is??? These fuckin' consummate liars will say anything and hope folks but it; we ain't buyin' it you bastards! How can you tell when a gulag official is lying? When their lips are moving! There is no such thing as a "Correctional institution". It is a prison and there ain't no "correcting" going on there. There ain't no such thing as a "Superintendent". It is a warden and there is nothing "super" about them. There ain't no such things as "Correctional Officers; they are guards, turnkeys, screws, and they sure don't correct. Solitary Confinement exists in Massachusetts. DO NOT believe the liars.

More To Come...

**Description of Offense(s)**

On January 5, 2017, at approximately 9:15 a.m., this reporting Officer was advised inmates Joseph Pope W42600 and Timothy Muise W66927 were observed utilizing an inmate telephone located in the East Field. Pope and Muise were observed passing the telephone handset to one another.

This reporting Officer reviewed telephone calls placed from Inmate Telephone #4 which the telephone database displayed as being in use by Pope. While monitoring the telephone call it was detected Pope initiated the telephone call to a radio station which was being broadcasted live. Upon monitoring further, it was detected Pope forwarded use of the telephone to Muise providing access to the live broadcast.

This reporting Officer then accessed a department computer terminal for the purpose of monitoring the radio station live broadcast which both Pope and Muise were heard making statements via the broadcast without any prior approval or authorization from staff.

Due to these actions being a violation of regulations, authorization was obtained to terminate this telephone call.

While continuing to monitor telephone activity, it was observed Pope placed additional telephone calls again connecting to the radio broadcast followed by forwarding access again to Muise. These calls were also terminated.

Recordings of the aforementioned telephone calls were downloaded for evidentiary procedures as well as a Call Detail Report, and Pope's Inmate Calling List.

Pope and Muise were placed in the Special Management Unit on Awaiting Action Status. All proper notifications were made. -E.O.R.-
