

areas of focus in my grassroots
activism, build peoples assemblies
& or other types vehicles for
the practice of participatory
democracy to continue the
struggle for equality & equity,
build self defense committees &
educational campaigns to
protect our communities from
state & reactionary militia
repression & terror, in a
anti fascist / anti authoritarian
nexus,

economic insurrection in solidarity
with the black bloc, buy black
& bank black, in open class warfare,
for a liberated holistic society,
a open society,
