

Dear Readers,

February 12, 2017

For those of you who have been reading my blog and sending me responses I thank you. your messages mean a lot, it's nice to know that someone cares enough to share their thoughts. It's nice to know I'm not alone.

I have been talking a lot about my Cosmetology class over the last few years and now all of you have a chance to see what it is really like. Recently there was a story done on our class and I have enclosed the sites you can visit to see the clip. Don't blink or you will miss me (I'm the one getting my hair braided) but it is a really well put together clip.

this is short but thank you all again and thank you to the staff at Between the Bars for giving those of us inside this platform you are appreciated...

best wishes
