(Be my Valentine)

Love Comes in nicks and dimes,
threw rap's and rhymes.
Some threw violence and ~~crimes~~ Crimes
but that don't last a long time.

is it love you see at first sight,
Some say it might.
is it that your attracted to the body, face & height,
Some say it might.

maybe it's the fantasy in your head,
which drives your arousal,
of what he may look like at night,
Some say it might.

How bout we sip white wine,
while we sit and dine.
and i stare threw your eyes,
that take me threw time.
it ache inside,
Cause your so fine.
but before i forget to ask,
will you be my Valentine?
