Man, bigbro i know you all aint forgot about me, ya'll just living life taking care of ya'll families which is all i can ask you feel me. no matter what may come up in your life you have to always be able to remember where you came from and those you left behind. It was truly a gift from "Allah" that you got at me it was much needed my dude. You did everything right with your lil bro man and i respect you and love u too.
