Dear ZMW,

Hi, I just wanted to send you a note and let you know I appreciate your comment. I have learned that all I can do is love my little girl, pray for her every day and hope for the best. She'll come back, I just hate that it is taking so long. I did nothing wrong but tell her the truth that she was not ready to hear so when she is ready, I pray she returns to my life. She's only 19 and will have to make her own mistakes, no matter how much I want to protect her, she will make her own mistakes. So I live each day hoping at mail call I hear from her. Are you a parent? Any extra advice? I have honestly met some amazing people on my blog and I have gotten some great advice. It has helped me become a better man in here interacting with good people on the outside. So I am definitely open to advice. Again, thank you and please don't hesitate to give me your opinions. Take care and God Bless, Ciao.
