I'm finally in position, I'll be
out by (fall) time this yr
its been along time coming I've matured
so much, and soaked up so much
that'll last me a life time I'm striving
to become "rich" legally or make sure my
4eva friend never wants for anything, but
no one comes before my son Juizean Aka Sai Sai
it's time to show em that his Dad has prepared
hisself for whats to come an that I'll
never not, be around when he needs me most
I'ma spend the rest of my life time makeing up
for all the time I've missed out on, I truly apologize
(son) Daddy will be home in the fall
Amen
