

Spiritual Warfare 99.1

Hello everyone, I would like to share with you some knowledge God showed me. First off let me say that anyone that does any type of service to glorify God has my deepest and most sincere regard. However, I want to talk about our part in the war between good and evil. Some people believe that all that is required of us is prayer and it is a very important part of our efforts but it is not the only part. There is most definitely a spiritual war going on and like any war it can only be won by action and as warriors of the most high God, he is calling upon us to move on his behalf. This is not a metaphorical war, it is very real and the victims are the lost children of God. Now I want to talk about how we fight. Father God has provided us with the most powerful weapon in the universe - LOVE. Only with a dedication to unselfish love can we swing the tide of this war and serve our Father's plan by being the light of the world. Physical acts of love and kindness are the only way to prove to someone who is lost that God and you love them. Going to church is a very important part of this war because it is where we go to recharge but the war is out there on the streets where billions of God's children are being tortured and twisted daily by the enemy. You don't have to go to a foreign country to be a missionary; our own allies, street corners and bridges are filled with people who are in desperate need of proof that God loves them. Please, brothers and sisters, I am begging you to stop turning away from those in need. The homeless, the drug addicts, the prostitutes, the gang bangers, the orphans, these are all God's children who are being used and abused by the devil. Every time we turn away from one of them the enemy just won a victory and God sheds a tear. I wish I could tell you that you will be completely safe when you go to these people and share God's love but that would be a lie. Satan will fight you, he will use one of these lost souls to intimidate you, or rob you, or beat you or maybe even kill you. However, I can promise you that God will use you and your situation to save a soul. Ask yourself this question: 'Would the Savior have given his life to save just one soul?' And if would can we be willing to do anything less? Love truly does conquer all. So open your hearts to the Holy Spirit and go out and fight the good fight. Love those whom the Devil has tricked into believing that

they ARE UNLOVEABLE. Feed them, cloth them, house them, PROTECT them AND COMFORT them AND love them even if it cost us OUR life BECAUSE even if JUST ONE PERSON is saved then we will have served OUR FATHER well AND faithfully. We ARE AT WAR BROTHERS AND SISTERS SO I CALL UPON YOU TO ALLOW GOD TO USE YOU. DON'T ALLOW THE ENEMY TO PARALYZE YOU WITH FEAR BECAUSE NO MATTER WHAT HAPPENS TO YOU IN THIS life, the VICTORY is FATHER GODS' AND YOU WILL HAVE AN HONORED PLACE IN HIS VERY PRESENCE FOR ALL ETERNITY. God bless YOU AND KEEP YOU ALL OF YOUR DAYS.
